

11. Each driver will be furnished with a book showing the hours for which he is hired and by whom, and he has instructions not to start until the hour of his arrival at the residence of the applicant has been entered and signed for in this book.

12. Hirers must dismiss the vehicle on completion of the time for which they have hired.

13. If a driver is reported to have arrived late at the 'hirer's house, he will be dealt with regimentally, and if considered necessary by the Military Secretary, a proportionate refund will be given; but it must be understood that no vehicle is to be detained over the time of hire on any pretext, on pain of dismissal of the driver and of orders issuing to prohibit any further hiring to the offending official.

14. As the drivers and attendants belong to a Military Corps no monetary reward should be offered to them.

Men detected in accepting money from private individuals will be dealt with under their Commanding Officer and a report should be made, if they ever ask for reward.

15. The drivers of victorias and tongas have been told to refuse to start, if heavy baggage is placed in their vehicles, or if more than the authorised number of passengers attempt to travel in the carriages. All complaints against drivers on this account should invariably be addressed to the Superintendent of Government Stables, whose decision shall be final.
